HEPP

Hepp Induction Plus

Enjoy your food for longer

Exclusive chafing dishes with added value to indulge the senses at all levels.

HEPP INDUCTION PLUS chafing dishes will make sure you get only the best. The perfect heat distribution via the aluminium encapsulated bottom always keeps your culinary delights at the ideal temperature – while the condensation recirculating system ensures they stay fresh. This can be checked at any time, through the transparent lid. INDUCTION PLUS chafing dishes give optimum results on a wide range of induction hotplates. And as per the tradition, they also meet the highest quality standards with conventional hotplates and sterno fuel systems.
